- ### WELCOME!

Enjoy your Regional Parks safely. Help us protect and preserve your parklands by complying with park rules and regulations.

SAFETY and ETIQUETTE

 - Carry and drink plenty of water. Dehydration is a leading cause of injuries on the trail.
 - Every year dogs become sick or die from dehydration at Mission Peak. Be kind to your dog – bring plenty of water for it.
 - Stay on trails. Taking shortcuts can be dangerous and causes erosion.
 - Trails can be slippery, rocky and steep. Proceed carefully at your own risk.
 - Bicycles are permitted on designated trails only. Horses have the right-of-way on trails.
 - Cows are a part of the Mission Peak landscape. Keep your distance, and do not approach the animals. Control your dogs around cows; keep them under control or on leash as cows may become agitated if a dog approaches. Cows are protective of their young -- do not get between a calf and its mother, and don't try to touch them.
 - Wildlife may be present on the trails at any time. Feeding or approaching wildlife is dangerous and illegal.
 - Keep the parks beautiful. Pack out what you pack in.

RULES

Pets must be leashed 200 feet from any trail or park entrance. Pets must be leashed in parking lots, picnic areas, developed areas such as lawns and play fields, and on some trails. They must be under voice control at all times.

Visitors are responsible for knowing and complying with park rules (Ordinance 38), available online at www.ebparks.org/activities/ord38.
